

**PRODUCT INFO  
& DATASHEET**

## STANDARD EXPORT CONCENTRATES (MV)

### 10 % INCLUSION RATE

(100 kgs concentrate per 1000 kgs complete feed)

On basis of marine & vegetable (mv) proteins. These concentrates donot contain animal proteins.

Produced as per latest E.U. regulations.

#### **DESCRIPTION**

These Standard Export Protein Concentrates 10 % use are a high quality mix of marine & vegetable (MV) protein sources and contain all the essential vitamin, mineral, oligo-elements, amino-acids, protein, energy and fiber requirements of the animals. Any antibiotic / growth promotor and/or coccidiostat can be added upon client's specific request. We can also make our own proposals. Least cost computerised feed formulations service is available for clients having bought our concentrates. We need an indication of all available raw materials at client's plant and their respective costprice, and where necessary the analysis of the raw materials (if deviating from standard analysis).
