Growth promoter and hepato protector.*

01/2021

1. INTRODUCTION & DESCRIPTION

A multi-herb formula prepared from herbal extracts that improve the functioning of the entire digestive system.
A natural productivity stimulator.

SICO-FARMCARE LIVE is a blend of aqueous herbal extracts to protect the functions of liver, heart and kidneys. It supports the detoxification of the body, improves digestion and increases overall health status. Recent scientific research in Europe shows that the product has a significant impact on improving the structure of the intestines and maintaining the microbiological balance. Our most proven result product in Poland.
