SICOBIO® NUTRI VEGETABLES GARDEN

High concentration Organic liquid fertiliser specially designed for vegetables in soil or pot, providing a solid base and healthy foliage.

- Made in E.U. -

04/2021

1. PRODUCT DESCRIPTION & PROPERTIES

As probably the first producer in the world, our factory has succeeded in producing an 100% organic fertilizer in a high concentration and with great reliability. The nutrients used are completely extracted from plant residues. In addition, no energy-guzzling methods are used during the production process, but natural processes are used to achieve the desired concentrations.

Our factory continuously works on improving nutrients for consumers, horticulture and arable farming, in order to minimize the ecological footprint. We are convinced that the use of residual flows is a major step towards a circular economy.

SICOBIO NUTRI VEGETABLES GARDEN is specially designed for vegetables in soil or pot, providing a solid base and healthy foliage.

2. PRODUCT SPECIFICATIONS & CERTIFICATE OF ANALYSIS

Chemical Analysis

	% w/w
Total nitrogen (N)	5.2 %
Phosphorus (P ₂ O ₅)	1.9 %
Potassium (K ₂ O)	5.2 %
Magnesium (MgO)	0.8 %
Boron (B)	0.004 %
Copper (Cu)	0.002 %
Iron (Fe)	0.02 %
Manganese (Mn)	0.01 %
Molybdenum (Mo)	0.002 %
Zinc (Zn)	0.002 %
pH	3.5 – 4.5

Physical Properties

Appearance	Liquid
Colour	Light brown
Density (kg/l)	1.12 – 1.16

3. ADVANTAGES & BENEFITS

- Promotes the firmness of the plant
- Promotes root growth
- Promotes the resistance of the plant
- Improves stress resistance
- Improves soil properties

4. USAGE & RECOMMENDATIONS

*** Application**

Suitable for vegetable gardens in soil or pot. Feed the plants weekly with approx. 10 ml (1 cap) of plant food per 2 liters of water.

The amount of water a plant needs differs greatly per plant. Just like in nature, many plants need more water in warm periods than in cold periods.

Note: In most cases, giving too much water is the main reason a plant dies !

5. PACKING: 0.25 – 0.5 – 1 – 10 – 20 -220 -1000 ltr

6. STORAGE & SHELF LIFE :

Store in dry and dark location between 10 and 25°C.

Shelf life 1.5 – 2 years.
