

**SICOGREEN GEL NPK formulations**  
*Concentrated nutrition & Examples of some tailor-made formulations.*  
- Made in E.U. -

See below indicative FCA ex works prices; only against detailed enquiries.

- \* Available packings & container capabilities : our gel products are sold in kilograms
- 1/ 1 kg cans: 12 cans per box, 77 boxes per pallet, with a max. weight of 924 kg, depending on the density of the gel
- 2/ 5 kg cans: 4 cans per box, 60 boxes per pallet, with a max. weight of 1200 kg, per pallet, depending on density of the gel
- 3/ 10 kg cans: 75 cans, max. weight 750 kg per pallet
- 4/ 20 kg cans: 48 cans, max. weight 960 kg per pallet x 11 pallets = 10,560 kg/20ft

These weights are the max. capacity per pallet to avoid any breakage during transport.

We use American pallets, size 1,200 x 1,000 mm.

Regarding maritime containers, the 20ft container has a max. capacity of 10 or 11 pallets, the 40ft container has a max. capacity of 21 pallets.

- \* Minimum order quantities : we can produce min. orders of 1000 kg but with full pallet or multifold of full pallets which can be loaded in mixed 20ft or 40ft containers.
- \* Customs code our gel products : Code 3105.20.00.00 mineral or chemical fertilisers with the 3 fertilising elements: nitrogen, phosphorous and potassium.
- \* HS code : 310590
